

Academic Integrity & AI Use Declaration

Module: Visual Design using Adobe Photoshop

Assessment: Portfolio Submission

I confirm that the work submitted in this assessment is my own original work.

I acknowledge that:

- I have followed the module guidelines regarding academic integrity, copyright, and the ethical use of digital tools.
- All design concepts, layouts, and creative decisions in this project were developed and produced by me using Adobe Photoshop.
- Any AI-generated assets, stock images, or third-party resources used in this work have been legally sourced and properly credited.
- I understand that misuse of AI tools, plagiarism, or the use of unlicensed digital assets is considered a breach of academic integrity.
- I have complied with copyright, licensing, and attribution requirements, including model or location releases where applicable.
- I understand that failure to follow these guidelines may result in disciplinary action in line with institutional policies.

AI & Digital Tools Self-Evaluation Checklist

Before submitting your work, please reflect on the following questions.

1. Authorship & Originality

- ☐ The overall design concept and layout were created by me.
- ☐ I used Adobe Photoshop tools to develop and modify the design myself.
- ☐ My work demonstrates my own creative decisions and technical skills.

2. Use of AI Tools

- ☐ I clearly understand which AI tools are permitted within this module.
- ☐ Any AI-generated content used has been properly credited.
- ☐ AI tools were used only to support the design process, not replace my work.

3. Use of External Assets

- ☐ All images, fonts, or graphics were legally sourced.
- ☐ I have provided attribution or licensing information where required.
- ☐ I ensured that any images featuring identifiable people have appropriate model releases.

4. Ethical and Professional Practice

- ☐ I have followed copyright, licensing, and attribution rules.
- ☐ I understand how AI and digital tools impact professional design practice.
- ☐ I am confident that my submission reflects my own learning and skills.

Reflection

In 2–3 sentences, briefly describe:

- What digital tools (including AI, if used) supported your work?
- How did they contribute to your learning or creative process?
